

ARKANSAS HIGHER EDUCATION CONSORTIUM BENEFITS TRUST
SCHEDULE OF BENEFITS
BASIC Plan - Effective 7/1/2017

For both In-Network and Out-of-Network Benefits, some services may require pre-authorization by QualChoice. For details and to access the most current listing of services requiring pre-authorization, visit www.qualchoice.com.

All benefit payments are subject to the Maximum Allowable Charge. Use of an Out-of-Network provider may result in you being balanced billed and having higher out-of-pocket costs. Amounts in excess of the Maximum Allowable Charge do not count toward Deductible or Coinsurance limits.

Note: Calendar Year maximums listed are combined between In-Network and Out-of-Network. For example, if “30 Visits per Calendar Year” are listed under both In-Network and Out-of-Network Providers, you are only allowed a combined maximum of 30 visits.

Note: There are two (2) separate deductible and out-of-pocket maximums that must be met for In-Network and Out-of-Network providers. Once two (2) family members have met their deductible and out-of-pocket maximums, then they will be considered satisfied for the remaining family members on the plan for that calendar year.

Limitations

- All new prescriptions are limited to a 30 day supply.
- Refills are limited to a 90 day supply at certain contracted pharmacies and through retail or mail order.

Step Therapy

Certain medications may be required to be used before another medication is covered. Step Therapy is the process of beginning drug therapy for a medical condition with the most cost-effective and safest drug therapy, and progressing to other and more costly therapy if the first line medication fails.

Examples of step therapy drugs under this plan include anti-hypertensive and Attention Deficit Disorder (ADD) medications. Contact Customer Service at 1-800-235-7111 for more details.

Benefit Details

- Benefits are subject to all benefit terms, conditions, limitation and exclusions.
- Benefits are provided for formulary prescription drugs when prescribed by a physician or by a licensed healthcare provider within the scope of their license.
- Benefits are available through a network pharmacy, a network mail order pharmacy or an out of network pharmacy, provided that the drug is a Covered Prescription Drug.
