Ozarka-Palooza! Success

A new twist for Ozarka's Kids College last month was the addition of a t-shirt designing contest for those students who enrolled. The children entered a drawing of their interpretation of the theme this year: *Ozarka Palooza!*

The students and teachers met for an assembly on the final day of Kids College where Ozarka College president, Dr. Dusty R. Johnston announced the winner of the t-shirt design contest. Michael Ring of Melbourne Elementary School won the contest, which was judged by Chris Williams of Inkspot Graphics, Cathy Bristow of the Izard County Sheriff's Department, and Kim Whitten of Ozarka College.

In order to participate in *Ozarka Palooza*, students had to have completed first through fourth grade. Students could request three classes to take throughout the day, including Art, taught by Sherry Henry; Cheerleading, taught by Amy Pinkston; Line Dancing, taught by Sandra Miller and Kim Whitten; Physical Education, taught by TaKara Kinion; and Science, taught by Renee Lindsey.

Henry, Kinion and Lindsey were offered the opportunity to put their teaching skills to the test after obtaining their bachelor degrees in education this past May from Arkansas Tech University in Russellville. They were among the first group of students to complete their four year degree after finishing their Associate of Arts in Teaching degree from Ozarka.

Coordinator for the annual summer program, Kim Lovelace expressed her appreciation for the instructors. "These kids enjoy this program each year and most come back again and again. We appreciate the teachers and volunteers who keep everything running smoothly and make it unforgettable experience for our young students."
