VOLUME 11, ISSUE 13 AUGUST 1 - AUGUST 12, 2005

## Fall Semester Registration & Orientation Info

Anyone planning to enroll as a new student at Ozarka College during the upcoming Fall semester, should attend new student orientation and registration according to the following schedule:

August 15	All technical programs and Associate of Arts in Teaching
August 16	All other students with last name beginning with L-Z
August 17	All other students with last name beginning with A-K

Orientation begins at 9:00AM in the Lecture Hall of the John E. Miller Complex at Ozarka College in Melbourne. Ozarka's classes begin on August 22<sup>nd</sup> and a complete schedule can be obtained at [www.ozarka.edu](http://www.ozarka.edu), or at any Ozarka location in Ash Flat, Melbourne or Mountain View.

For current students who have not taken advantage of online registration, or for high school students who wish to enroll in concurrent classes, Ozarka Admissions representatives will be available from 9:00AM until 4:30PM at each Ozarka location for registration as follows:

August 8	Mountain View
August 9	Ash Flat
August 11	Melbourne

Ozarka College officials encourage any potential or current student to check the website for additions to the course schedule which have been made over the last couple of weeks, including evening and Saturday classes. For further information, contact Ozarka College at (870) 368-7371 or toll free 1-800-821-4335.

## Kids Academy Conducts Mini March

Thirty of young students at the Ozarka Kids Academy raised \$1226.00 for Cystic Fibrosis Foundation during their recent "mini march."

Fifteen of the children collected donations and received a free t-shirt. Four of the students raised over \$100 and will receive additional prizes. The Kids Academy also received a \$1000.00 gift certificate to a teacher supply store for raising over \$1000.00.

According to Director of the Kids Academy, Amy Pinkston, "The participation in the Cystic Fibrosis Foundation 'Mini March' not only helps provide much-needed money for cystic fibrosis research, but it also helps teach the students about responsibility, respect and care for others."

*"It helps teach  
the students  
about  
responsibility,  
respect and  
care for  
others."*
