MURDER AT THE DUNMORE LODGE

OCTOBER 24TH @ 6:00PM

JOHN E. MILLER AUDITORIUM

"The weather service predicted a huge storm causing the eastern and western bridges to be impassable. The only sign of civilization between the two bridges is the historic Dunmore Lodge. Now, this Lodge has suddenly become the difference between life and death for anyone trapped between the two bridges.

One by one the newly stranded begin arriving at the Dunmore and snatching up the wealth of the available rooms. The following morning, when a guest is found dead, two realizations come very quickly to the minds of the remaining guests: the murderer must be someone at the hotel and, thanks to the ongoing storm and closed bridges, they are all trapped there with him...or is it her?"
