

Page 1 of the timeline was briefly reviewed with some changes included below. The Council was still uncertain on how to proceed with the rest of the timeline and whether to start bottom up or top down in the review process. Bottom up was concluded to bring about better faculty buy in and top down would include less possible revisions overall. A hybrid model may be a possibility.

Assessment Academy Tentative Timeline				
Project Name: Shifting Assessment to a Learning College Model				
Activity	Who	Resources	Assessment	Target
