

Communication Committee Meeting
Minutes
September 10, 2008
9-9:30 AM

Attending: Libby Cone & Kim Whitten, co-chairs

A brainstorming meeting was held for ideas on the plan for communication during the Self Study for Ozarka College.

Kim presented a draft of a timeline as a handout for their presentation scheduled during the pre-planning meeting on September 12.

Libby will research two colleges in how they handled communication for their self studies. (Eastern Oklahoma State College and Central Wyoming College.)

Kim will get the first e-newsletter out as a review of the two prior meetings and get a handout ready for Friday.
