

Communication Committee Meeting  
Minutes  
September 25, 2009

Members present were Kim Whitten and Drexene Winey.

After the May meeting, Kim reported there were not enough criterion meetings to attend each one.

Karla Rush attended the meeting to announce she was writing articles on topics provided by Joan for campus news and other internal communication.

Drexene will check with Nancy Dust about the President's report to see if Dr. Dawe is updating the report with self study process.

Instead of "talking points", we might look at some posters to put up around campus and sites utilizing the simplified FAQ that Joan provided on bookmarks for students to educate everyone including students, faculty, staff and other campus visitors.

Submitted by Kim Whitten.
