

AGENDA

Meeting #22 of Steering Committee

September 18, 2009

1:00 to 2:00 pm

1:00-2:00 pm

Who Has the Data I Need?

Opening the Floor

Joan Stirling and Joanna Fulbright

Additional Information: Please bring a list of data needs and questions. Also please be prepared to meet longer if necessary. This is a crucial time for data gathering, and waiting until our next meeting on October 17 could potentially prevent completion of a subcommittee report by the deadline date.
