Hello everyone!

Attached you will find the agenda for Friday and the activity sheet that we will do on "What Makes a Good Self-Study." Please read over it and give it a bit of thought. Where there are numbers with blanks, you will work in groups to try to come up with some examples for the blanks. Group Work assignments (sit together, please, to make things go faster):

Criterion 1 and Resource Room
Criterion 2 and Editor/Publisher
Criterion 3 and Website
Criterion 4 and Newsletter
Criterion 5 and Hospitality

We will meet Friday at 2 pm since Dr. Johnston's good-bye party will be from 1-2. After this week we will resume meeting at 1 pm.

See you Friday!

Joan, Joanna and Mike
