Good morning everyone. The following link will get you the CCSSE toolkit that I referenced Friday in our meeting. It's a great tool for locating information pertinent to your criterion area within the CCSSE results. Thanks. Holly

Subject: Agenda for tomorrow (Friday 9-19-08)

The agenda for tomorrow's self-study meeting is attached. Please remember to review the packet that you received on criterion 3. Criterion 3 is quite encompassing and overlaps into the 4 additional criterion (see criteria and core components related to student learning handout for specifics).

Thanks so much. Holly
