Committee Members,

The agenda for tomorrow's meeting is short but hopefully substantive:

Item One: Review of the minutes from the last meeting.

Item Two: Discuss the diversity survey . . . please bring a copy of the materials Judy e-mailed and any other information pertinent.

Item Three: Discuss International Day.

Item Four: Academic Year Report . . . what do we want to include?

Item Five: Other new business.

Item Six: Adjourn.

Joan probably won't be with us . . . she will appearing before the Faculty Council.

Any questions . . . concerns . . . comments.

Thanks,

Rodney Williams
