Dan,

I went around and measured what we would need as far as storage cabinets.

Career Pathways—1 closet that sits on the floor 24" to 30" x 5' to 6' tall x 20" to 24" deep around \$150.00

Miller building --- 4 cabinets mounted to the wall's 20" to 24" wide x 30" to 36" deep x 16" to 20" around \$100.00 each.

Hall building ---2 of the same measurements.

Admin--- 4- of the same.

Adult/ Nursing building—2 of the same.

We can purchase all for under \$1600.00 depending on finished or unfinished and the hardware Handles locks etc.

Hope this helps Dave.
