Mid-Year Report

Committee: _______ Curriculum Committee _________________

Date: ____________________ 2/2/09 _____________________________________

A brief midyear report of activities, functions, or recommendations of the committee include:

These 2 new courses were approved and added to the Schedule for Spring 2009
CIS 1331 Intro to MS Office
CIS 1501 Intro to the Internet

This 8-week course meets 1 hour a week. Then you can continue another 8 weeks with the other course and improve your computer skills even more by continuing with the INTRODUCTION TO USING MICROSOFT OFFICE course.

These 2 courses use the same textbook. AND this textbook can also be used for the next course in your quest for computer skills—SURVEY OF COMPUTERS.

Other Proposals
Proposal for film Class—new course added.
Proposal for Mythology class—new course added

Proposal for geography change of outcomes—approved

These courses—LPNE 1104, 1112, 1204, 1211, 1302, 1306—were changed to reflect 11 month curriculum change

World Civ II Outcomes were reviewed and approved.

Healthy Eating Everyday Course was changed to 2 hour credit course. According to Human Kinetics and the Cooper Institute, this course shall be taught in sessions no less than 1.5 hours per week for the duration of 16 weeks if adapted to meet the time constraints of an institution. The program is adapted to meet our guidelines as we are a pilot institution for the induction of this program.

We would like to list this course as a 2 hour credit course. All facets of the current course structure will remain the same.
