

**Ozarka College
Automotive Technology Advisory Board
Meeting Minutes
February 25, 2008**

The Automotive Technology Advisory Board met _____

Members Present:

Nicky Arnold
Keith Kelso
Darrell Parsley
David Watts
Darrell Webb
Kevin Wegenke

Before the general discussion school administration met with the board and thanked everyone for volunteering their time and efforts to help improve all the programs.

Discussion:

- * enrollment
- * completion rates
- * job opportunities
- * available employment in the area

Also discussed was the AST program needs with regards to curriculum, equipment, and donations of training aids/vehicles.

Mr. Wilkes said these were becoming harder to obtain and requested members to help procure donations that would be beneficial to the program.

Members viewed two pieces of equipment that had been purchased following a recommendation at a previous meeting.

The meeting was adjourned and attendees proceeded to the culinary arts area where they were served a delicious meal by the Culinary Arts Department.
