Committee: Paul Weaver Library Advisory Committee

Date: January 27, 2010

A brief midyear report of activities, functions, or recommendations of the committee include:

Committee met on November 10, 2009 briefly with the other advisory committees, then dismissed to their own meeting in the Paul Weaver Library.

To keep the committee updated on things happening in the library, members received the Paul Weaver Library Fact sheet.

Also shared with the committee was the student survey the library gives out every spring to the students to evaluate the services of the library.

Suggestions from the committee included putting the survey on line so it would be easier for students to participate. We are going to do this because it will get more results, reaching more students.

We gave an Advisory Committee Survey to members to evaluate performance and glean ideas from our members. Results of that survey are found under supporting documents.
