

Student name: _____ Degree/Certificate program: _____

YOUR "Path to Completion" PLANNING WORKSHEET

Find out which courses are on your degree plan by running a Degree Audit on your MyOzarka account (under the COURSES tab). You are encouraged to visit with an advisor after completing this sheet. Note: Some classes are offered only in certain semesters (see the online catalogue for details of each course offering). Copy this sheet if additional semesters will be required to complete your Ozarka coursework.
