TRiO LPN Tutor

I was born in Memphis, TN in November of 1985. My parents, an honored Vietnam Veteran and a hard-working mother of three, and I moved to Arkansas when I was the age of 6, and it wasn't until I was 12 that we settled here permanently. I currently reside in Cherokee Village with my husband Aaron, and two children, JT age 6 and Adalynn age 5. My children are the most important part of my life as well as the drive for my success. It is the known influence that I have on my children as well as my own personal ambitions that propel me to excel. I am a recent PTK graduate of the 2014 Ash Flat LPN program, following the brilliant instruction of Cheryl Ekenes and Deb Martin, to whom I am honored to exemplify as I tutor the present LPN students of the Ash Flat and Mammoth Spring Campuses. Apart from tutoring I am working on the prerequisites needed to obtain my Bachelors in nursing degree. I am a firm believer that your future holds whatever you work to put in to it. Having that said, in this point in my life I am contented with my work ethic and educational achievements from high school, to EMT, to LPN. I look forward to obtaining my AAS RN degree through Ozarka College, as well as the additional credits to fulfill my career goals. It is my privilege to assist peers and students of Ozarka in any way I can. TRiO is a wonderful program that has helped many and I am honored to be a part!
