

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact the claims administrator at 1-800-370-5852 or visit www.blueadvantagearkansas.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$2,500 individual; \$5,000 family. Out-of-Network: \$5,000 individual; \$10,000 family.	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. In-Network: standard preventive care, primary care physician and specialist office visits/ services, lab, x-ray, diagnostic testing, and In-network and Out-of-Network ambulance services and hearing aids/exam.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	In-Network: \$7,100 individual; \$14,200 family. Out-of-Network: unlimited individual; unlimited family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, manufacturing assistance programs for <u>prescription drugs</u> , penalties,, out-of-network charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.blueadvantagearkansas.com or call 1-800-370-5852 for a list of <u>network providers</u> .	You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an out-of-network <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). "Be aware your network <u>provider</u> might use an out-of-network <u>provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
