

Student Right-To-Know Ozarka College

Federal regulations require colleges and universities to inform students and other consumers of the rates at which full-time students complete programs or transfer to other institutions of higher education. The normal time frame is considered to be 150% of program length: 3 semesters for a 2-semester program or 6 semesters for a 4-semester (two-year) program. The following is the most recent information available about the success of students at Ozarka College:
