Financial Aid

NON-FILER STATEMENT

As you know, you are required to provide this office with a copy of the federal income tax return submitted to the Internal Revenue Service. If you do not keep a copy of your federal tax form, you must request one from the Internal Revenue Service (IRS tax return transcript).

If you do not file and not required to file a 2019 tax return, then you must complete and sign the statement at the bottom of this form. Please return the form directly to the Financial Aid Office. We will not be able to complete your request for aid until we receive the signed 2019 tax return transcript or the signed statement below.

I have not filed, and I am not required to file, a 2019 federal tax return (form 1040/or any Schedules). I further certify that all documentation submitted for the purpose of awarding federal funds is complete and correct.
