Student Loan Repayment Options: Standard Repayment

Standard Repayment

Extended Repayment

Income-Driven Repayment

Standard repayment has monthly payments over 10 years.

Standard Repayment

Standard repayment plans include making monthly payments over 10 years. Generally, you will pay less interest over the life of your loan under a standard plan than an extended or income-driven plan.

- **Standard/Level:** You make the same monthly payment amount each month for 10 years.
- **Graduated:** Your monthly payments start lower and get larger over the repayment period, usually increasing every two years. This may be a good option if you need a lower payment now, but expect to make more money in the future. Be aware that your payments will go towards interest only—not principal—in the beginning of the repayment plan.

Student Loan Repayment Options: Extended Repayment

Standard
Repayment

Extended
Repayment

Income-Driven
Repayment

Extended repayment allows you to pay your loans over 25 years.

Extended Repayment

Extended repayment plans may be available if your total loan balance is over \$30,000 in either Direct loans or FFELP, not a combination. These plans allow you to pay your loans over 25 years instead of 10. They may be good options if you need a lower monthly payment than a standard plan offers.

- **Extended Level:** Your payments are the same each month.
- **Extended Graduated:** Your monthly payments start lower and get larger over the repayment period, usually increasing every two years. This may be a good option if you need a lower payment now, but expect to make more money in the future. Be aware that your payments will go towards interest only—not principal—in the beginning of the repayment plan.

Student Loan Repayment Options: Income-Driven

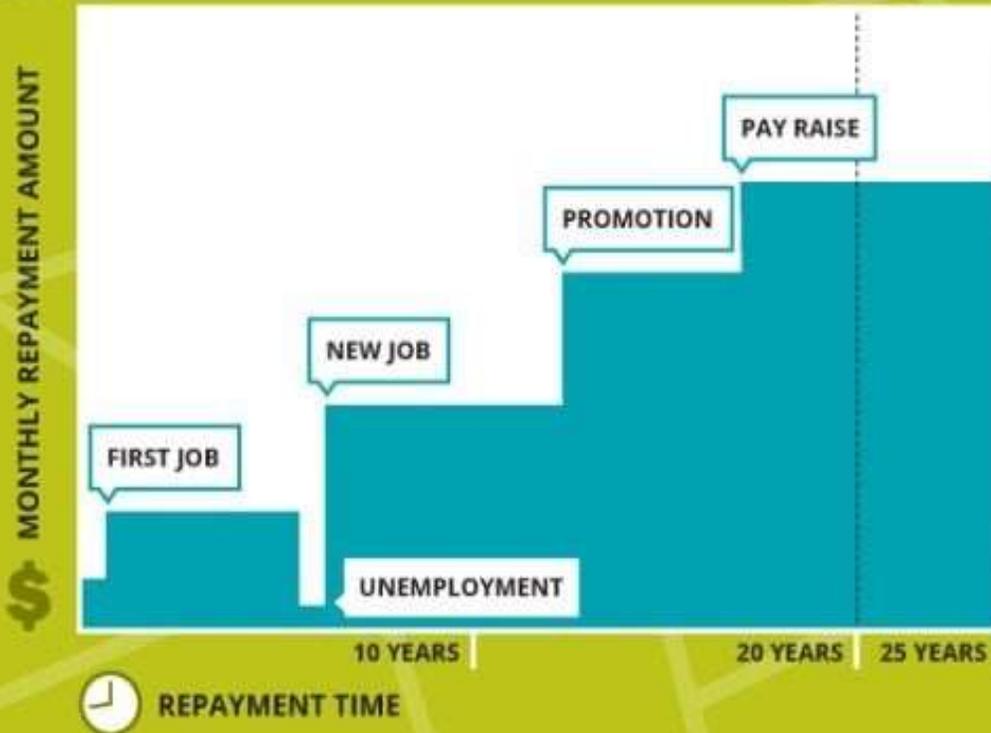

**Standard
Repayment**

**Extended
Repayment**

**Income-Driven
Repayment**

Income-driven repayment plans allow payments based on the amount you earn over a 20- or 25-year period.

Income-Driven Repayment

[Income-driven repayment plans](#) allow you to make monthly payments that are based on your income—as you earn more, you pay more. In addition to your income, eligibility for these plans is based on your family size and the types of loans you have. You'll need to provide some income information, such as a tax return, to qualify, and you'll also need to submit your tax information each year to remain in one of these plans.

William D. Ford Federal Direct Loan (Direct Loan) Program / Federal Family Education Loan (FFEL) Program / Federal Perkins Loan (Perkins Loan) Program

OMB No. 1845-0031
Form Approved
Exp. Date 02/28/2022

WARNING: Any person who knowingly makes a false statement or misrepresentation on this form or on any accompanying document is subject to penalties that may include fines, imprisonment, or both, under the U.S. Criminal Code and 20 U.S.C. 1097.

SECTION 1: BORROWER INFORMATION

Please enter or correct the following information.

Check this box if any of your information has changed.

SSN _____

Name _____

Address _____

City _____ State _____ Zip Code _____

Telephone - Primary _____

Telephone - Alternate _____

Email (Optional) _____

SECTION 2: FORBEARANCE REQUEST

Carefully read the entire form before completing it. Answer all questions in Section 2. Your loan holder has sole discretion in whether to grant your general forbearance request, and, if granted, for what period your forbearance will be applied. Instead of forbearance, consider requesting a deferment (which has an interest benefit for some loan types) or changing to a repayment plan that determines your monthly payment amount based on your income. Visit StudentAid.gov/IDR for more information.

1. I am requesting a forbearance because I am experiencing a temporary hardship related to one of the following situations (check one):

- Financial difficulties
 Change in employment
 Medical expenses
 Other (explain the situation below)

2. If approved for a forbearance, I would like to:

- Temporarily stop making payments.
 Temporarily make smaller payments of _____ per month.

3. I would like my forbearance to begin with the monthly payment that is due in the month and year below:

4. If approved for forbearance, I would like my forbearance to end in the month and year below, and begin making payments the following month:

Borrower Name _____

Borrower SSN _____

SECTION 3: BORROWER/ENDORSER UNDERSTANDINGS, CERTIFICATIONS, AND AUTHORIZATION**I understand that:**

- I am not required to make payments of loan principal or interest during my forbearance, but interest will continue to be charged on all my loans.
- Interest may capitalize on my loans during or at the expiration of my forbearance, but interest never capitalizes on Perkins Loans. Interest capitalization usually increases the amount of interest I will pay, and may increase my monthly payment.
- My loan holder has sole discretion in whether to grant my general forbearance request and for what dates it will be granted.
- For Perkins Loans, there is a cumulative limit on general forbearance of 3 years. For Direct Loans and FFEL Program loans, my loan holder may set a limit on general forbearance.
- My forbearance will end on the earlier of the end date that I requested, 12 months from the date my forbearance begins, or when I exhaust any limit that my loan holder has on forbearance.
- I can request another forbearance after my forbearance ends if I am still experiencing financial hardship.
- Any payment I make during forbearance will not count towards forgiveness under income-driven repayment plans or Public Service Loan Forgiveness.

I certify that:

- The information I have provided on this form is true and correct.
- I will provide additional documentation to my loan holder, if requested, to support my general forbearance request.
- I will repay my loans according to the terms of my promissory note, even if my request is not granted.

I authorize the entity to which I submit this request and its agents to contact me regarding my request or my loans at any cellular telephone number that I provide now or in the future using automated telephone dialing equipment or artificial or prerecorded voice or text messages.

Borrower's/Endorser's Signature _____

Date _____

SECTION 4: INSTRUCTIONS FOR COMPLETING THE FORBEARANCE REQUEST

Type or print using dark ink. Enter dates as month-day-year (mm-dd-yyyy) or (mm-yyyy) as appropriate. Example: March 14, 2019 = 03-14-2019. Include your name and account number on any documentation that you may be requested to submit with this form. If you want to apply for a forbearance on loans that are held by different loan holders, you must submit a separate forbearance request to each loan holder. **Return the completed form and any requested documentation to the address shown in Section 6.**

If you are an endorser, you may request forbearance only when you are required to repay the loan because the borrower is not making payments. If you have a loan made jointly with another borrower (as co-makers), you must both individually meet the requirements for a forbearance and each of you must request forbearance.

SECTION 5: DEFINITIONS

Capitalization is the addition of unpaid interest to the principal balance of your loan. Capitalization causes more interest to accrue over the life of your loan and may cause your monthly payment amount to increase. Interest never capitalizes on Perkins Loans. Table 1 (below) provides an example of the monthly payments and the total amount repaid for a \$30,000 unsubsidized loan. The example loan has a 6% interest rate and the example deferment or forbearance lasts for 12 months and begins when the loan entered repayment. The example compares the effects of paying the interest as it accrues or allowing it to be capitalized.

A **co-maker** is one of the two individuals who are joint borrowers on a Direct or Federal Consolidation Loan or a Federal PLUS Loan. Both co-makers are equally responsible for repaying the full amount of the loan.

A **deferment** is a period during which you are entitled to postpone repayment of your loans. Interest is not generally charged to you during a deferment on your subsidized loans. Interest is always charged to you during a deferment on your unsubsidized loans. On loans made under the Perkins Loan Program, all deferments are followed by a post-deferment grace period of 6 months, during which time you are not required to make payments.

An **endorser** is an individual who signs a promissory note and agrees to pay the loan if the borrower does not.

The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans, Federal PLUS Loans, Federal Consolidation Loans, and Federal Supplemental Loans for Students (SLS).

The **Federal Perkins Loan (Perkins Loan) Program** includes Federal Perkins Loans, National Direct Student Loans (NDSL), and National Defense Student Loans (Defense Loans).

A **forbearance** is a period during which you are allowed to postpone making payments temporarily, allowed an extension of time for making payments, or temporarily allowed to make smaller payments than scheduled. A forbearance can be a mandatory forbearance, meaning that your loan holder must grant the forbearance if you qualify for the forbearance and supply all supporting documentation. A forbearance can also be a discretionary forbearance, meaning that your loan holder may grant the forbearance, but is not required to do so.

The **holder** of your Direct Loans is the Department. The holder of your FFEL Program loans may be a lender, guaranty agency, secondary market, or the Department. The holder of your Perkins Loans is an institution of higher education or the Department. Your loan holder may use a servicer to handle billing and other communications related to your loans. References to "your loan holder" on this form mean either your loan holder or your servicer.

A **subsidized loan** is a Direct Subsidized Loan, a Direct Subsidized Consolidation Loan, a Federal Subsidized Stafford Loan, portions of some Federal Consolidation Loans, Federal Perkins Loans, NDSL, and Defense Loans.

An **unsubsidized loan** is a Direct Unsubsidized Loan, a Direct Unsubsidized Consolidation Loan, a Direct PLUS Loan, a Federal Unsubsidized Stafford Loan, a Federal PLUS Loan, a Federal SLS, and portions of some Federal Consolidation Loans.

The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Federal Direct Stafford/Ford (Direct Subsidized) Loans, Federal Direct Unsubsidized Stafford/Ford (Direct Unsubsidized) Loans, Federal Direct PLUS (Direct PLUS) Loans, and Federal Direct Consolidation (Direct Consolidation) Loans.

Table 1. Capitalization Chart

Treatment of Interest with Deferment/Forbearance	Loan Amount	Capitalized Interest	Outstanding Principal	Monthly Payment	Number of Payments	Total Repaid
Interest is paid	\$30,000	\$0	\$30,000	\$333	120	\$41,767
Interest is capitalized at the end	\$30,000	\$1,800	\$31,800	\$353	120	\$42,365
Interest is capitalized quarterly and at the end	\$30,000	\$1,841	\$31,841	\$354	120	\$42,420

Return the completed form and any documentation to:

If you need help completing this form, call:
(If no telephone number is shown, call your loan holder.)

Staying Eligible for Financial Aid: What You MUST Know

Federal regulations require the college to establish and apply reasonable standards of Satisfactory Academic Progress (SAP) for the purpose of awarding financial assistance under all programs authorized by Title IV of the Higher Education Act (**including Pell Grants, Student Loans, and Federal Work Study programs**). The standards must demonstrate that students are progressing in their programs at a satisfactory pace.

(Note: The complete SAP Policy can be viewed at https://www.ozarka.edu/finaid/file_display.cfm?form=PO)

The College will conduct a review of each student's academic progress at the end of each payment period: Summer I, Summer II, Fall, and Spring terms to determine whether or not a student is eligible to continue receiving Federal Aid.

QUALITY OF WORK STANDARD: Students must successfully complete (grade of C or better) at least **67% of all hours attempted** during each evaluation period, plus maintain a minimum overall AND semester **grade point average of 2.0**.

EXAMPLE:

Attempted Hours	Minimum Successfully Completed Hours to Meet SAP Standards
3	2
6	4
9	6
12	8
15	10

PACE STANDARD: In addition, students who have not completed a program by the time they have attempted **1.5 times the credit hours required** to complete **will lose eligibility** for further Federal Aid on that program.

EXAMPLE:

Hours Required to Complete a Program	Maximum <u>Attempted</u> Hours that Federal Aid Will Cover (150% of Hours Required)
30	45
52	78
60	90
66	99

If SAP Standards Are Not Met: Financial Aid Eligibility Status Changes

Failure to meet the standards set forth in the SAP policy will result in changes to a student's eligibility to receive financial aid as follows:

Financial Aid Warning: After a first unsuccessful semester, the student is placed on financial aid warning. He/she may continue to receive assistance under the Title IV, HEA programs for one payment period.

Financial Aid Suspension: If a student on Financial Aid Warning fails to meet the standards set forth in the SAP policy, the student is then placed on Financial Aid Suspension and will lose eligibility to receive financial aid. (See *Appeal Process below.*)

Financial Aid Probation: Once a student re-establishes eligibility to receive financial aid, he/she is placed on a financial aid probation semester. At the end of the probation semester, the student is expected to meet the SAP standards. Failure to achieve the SAP standard will result in a Suspension status, and the student must self-pay or win an appeal.

Financial Aid Suspension Appeal Process

Circumstances beyond a student's control may have prevented a student's successful completion. For those circumstances, the College has established a financial aid appeal process which is outlined in the policy below.

Student Responsibility

Students removed from financial aid eligibility may file an appeal with the Financial Aid Officer. The completed appeal must be in writing, and extenuating circumstances must be well documented. The completed appeal should be filed **NO LATER than the last Wednesday before the new semester begins.**

The application for appeal should include **ALL** the items listed below:

- Clearly identify the extenuating circumstances causing the student to fail to meet the SAP policy for the term(s) in question.
- Provide documentation that helps to validate the appeal.
- Include a personal statement explaining what has changed in the student's situation that will allow the student to demonstrate SAP at the next evaluation.
- Include an advisor approved and signed academic plan.

The Suspension Appeal Form (<https://otc.ozarka.edu/finaid/>) and all required and supporting documentation must be submitted to the Financial Aid office **NO LATER than the last Wednesday before the new semester begins.**

How Your Pell Award is Calculated

- Pell grant eligibility is primarily dependent on family income, household size, and the number of individuals in the household enrolled in college. There are other factors, but these apply to everyone.
- EFC= “Expected Family Contribution,” the amount that the federal government would “EXPECT” your family to be able to contribute out-of-pocket for your education expenses. Your EFC is based on the information you reported on your FAFSA about your family’s income and household size.

- An EFC of \$0 is eligible for the maximum Pell for that year, if enrolled full-time each semester. HOWEVER, partial Pell can be awarded for ANY number of credit hours enrolled.

# of credit hours enrolled per semester	Enrollment Status	<u>Annual</u> 23-24 Pell Award (if EFC is \$0.00/ eligible for full Pell)	<u>Semester</u> Pell Award (if EFC is \$0.00/ eligible for full Pell)
12+	Full-time	\$7395	\$3698
9-11	3/4 time	\$5546	\$2773
6-8	1/2 time	\$3698	\$1849
1-5	1/4 time	\$1849	\$925

- EFC’s above \$0 and less than \$6656 (for 2023-2024), will be eligible for less than a full Pell grant.

- EFC’s above \$6657 are NOT eligible for Pell.

- Maximum Pell for 2023-2024 = \$7395 for the year divided between your fall and spring semesters (\$3698/3697 per semester). If you attend in the summer, you may be able to receive an additional amount, dependent on your enrollment status.

Key Pell Limits: TIME LIMITS and AMOUNT LIMITS

- Pell eligible students have the equivalent of 6 full-time years (12 full-time semesters) of Pell Grant funding available to complete through a 4-year degree (Bachelor’s degree).
- However, students who attempt more than 1.5 times (150%) the number of credit hours in their degree program without actually completing the program will not be able to receive further federal aid (Pell or student loans) for that program.
- How many credit hours are in your program?** _____ **How many credit hours have you attempted?** _____
- Credit Hours Attempted/Total Credit Hours in Program =** _____

- Pell LEU= Pell Lifetime Eligibility Used.** Pell LEU is measured in increments of **100% per year** of full-time school enrollment (or **50% per semester** of full-time enrollment). Students have up to **6 full-time years** to complete, therefore **600% is** the LEU Limit. **EXAMPLES:**
 - Student A enrolls in 12 credit hours in a fall semester and receives the full amount of Pell for which he/she is eligible for THAT semester. Student A has therefore used **50%** of his/her LEU (lifetime eligibility). Each semester of fulltime enrollment uses another 50% LEU, to a maximum of 600% LEU (Equivalent of 6 full-time years of enrollment).
 - Student B enrolls in 6 credit hours in a fall semester, and is therefore at a “half-time” enrollment status. Student B will receive HALF of the full Pell amount for which he/she is eligible that semester, resulting in an LEU of **25%** for that semester. If this is student B’s first semester to receive Pell, he/she will have **575% LEU remaining**.
- What is your current Pell LEU?** _____% out of 600%
