

NON-FILER Instructions to Request IRS Verification

What is an IRS Verification of Non-filing Letter & why do I need it?

An IRS Verification of Non-filing Letter - provides proof that the IRS has no record of a filed Form 1040, 1040A or 1040EZ for the year you requested. You have selected "Not Filing" as your Federal Tax Return status on the FAFSA and we must verify this before your eligibility may be determined.

As a Non-Tax filer, you can request an IRS Verification of Non-filing status for 2016, free of charge, from the IRS in one of three ways:

- Online www.irs.gov
- Telephone 1-800-4FED-AID
- Paper Form 4506-T (*printable from the IRS website*)

How to fix address matching problems when ordering online

- ◆ When entering the information into the IRS address matching system note the following:
 - The address entered must match the address already on file with the IRS exactly.
 - The address on file is typically the address on your most recent tax return.
 - Spelling out the word "street" rather than using the abbreviation "st." can be enough to cause an error.
 - Addresses on the IRS system are auto-corrected through a post office program and may not match what you put on your tax return.
- ◆ We suggest the following if you run into problems:
 - Have your taxes in front of you and enter the address carefully as it is on your return.
 - If you entered your address as it appears on your return and it doesn't work, try using the standardized version of your address.
 - To get a **standardized version of your address:**
 - 1) go to [@www.usps.com](http://www.usps.com)
 - 2) Click Look Up a Zip Code
 - 3) Enter Street Address, City, State
 - 4) Click Find
